The Message Board – from SLADS Officers & Directors

Well I think fall is finally here, cool temperatures and the holidays right around the corner. As I am writing this, some of our members are competing at Regionals, by the time they read this it will be congratulations instead of good luck. I hope everyone has/had a good time.

Looks like our October show will be a small one, at one point we were thinking we were going to have to cancel but in true eleventh hour fashion the entries came in, thanks to all who entered and we will see you soon. For members that are not competing, come by and visit. We will have a casual competitor's party during the last hour of the event, stop and grab a bite and say hello, watch for ride times for more information.

The education committee has been working hard on some ideas for seminars to have this winter, we should have the details soon. We will update everyone as soon as we can so you can mark your calendars.

The November schooling show is just around the corner, November 25. The prize list is included in this newsletter. Enjoy the weather and do some trail riding, I hope to see everyone at the show, stop by, visit, and check out the membership portal page booth for more information and help! ~Ann
